MINUTES & RECORDS SECTION

I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve:

A) Amendment to the Infrastructure Surtax (IST) Project Plan approved by the Board of County Commissioners on April 4, 2017; and

B) Budget Transfer of \$146,670 within the IST Fund to re-allocate \$146,670 from the Sunset Cove Amphitheater Sound System Replacement Project to the Sunset Cove Amphitheater Stage Renovations Project.

Summary: The Sunset Cove Amphitheater sound system was scheduled to be replaced in FY 2017. After a thorough review of the existing sound system, it was determined that it is still in good working condition and does not need to be replaced. However, the stage lighting and some associated stage equipment are in need of removal or replacement. The Department is requesting that the \$146,670 currently allocated for the Sunset Cove Amphitheater Sound System Replacement Project be moved to a new project entitled, Sunset Cove Amphitheater Stage Renovations. On February 18, 2021, the required type 3 transfer request was presented to the Infrastructure Sales Tax Independent Citizen Oversight Committee ("Committee"), as the Committee's procedures require the approval of type 3 transfers by the Committee prior to presentation to the Board of County Commissioners. Under current law, and notwithstanding the additional challenges resulting from the COVID19 pandemic, the Committee is required to attain a quorum based on in-person attendance. During the February 18, 2021 Committee meeting, there were four (4) Committee members physically present and six (6) Committee members that participated through communications media technology (i.e. virtually). Therefore, the required quorum was not attained and voting on items presented to the Committee could not proceed. A similar challenge was encountered during the November 2020 Committee meeting. All ten (10) Committee members that participated in the February 18, 2021 meeting indicated having no reservations for approval of the transfer request had voting been feasible. Based on what precedes and in consideration of the detrimental impact that further delaying implementation would have on the project schedule, Staff is recommending approval of the transfer without a recommendation from the Committee. This project is funded through the infrastructure sales tax. District 5 (AH)

Background and Justification: On November 8, 2016, the voters of Palm Beach County approved a one-penny infrastructure surtax for collections beginning January 1, 2017, and continuing for the sooner of 10 years or \$2.7 billion in proceeds before September 1 of any year. Also included was the creation of an oversight committee to audit spending for compliance with approved projects, and the following allocations: 50% to the School District, 30% to the County, and 20% to the Municipalities. The proceeds of such tax finance the renewal and replacement of existing capital investments including roadway surfaces, bridges, drainage improvements, canals, park amenities, and government buildings, all of which were deferred during the recent recession and remain outstanding, and projects to maintain levels of service. A detailed project list, Infrastructure Surtax Project Plan, with associated budget was prepared for the projects that are the subject of this item, amongst others, and approved by the Board on April 4, 2017. (Background and Justification continued from page 1)

The purpose of this transfer is to re-allocate \$146,670 in IST funding for the Sunset Cove Amphitheater Sound System Replacement Project to the Sunset Cove Amphitheater Stage Renovations Project. The sound system at Sunset Cove Amphitheater is in good working condition and does not need to be replaced. However, there is a need to replace the stage lighting and associated equipment.

The proposed amendment and budget transfer will have no net effect on the total IST funding allocated to the Department.
