On Demand Remote Video Inspections Now Available Using Your Smart Phone!

Enjoy the convenience of having inspections as work progresses while your workers are still on the project site!

The benefits of Video Inspection Pro include:

- ★ Saves Time! Inspections On Demand means no pre-scheduling required.
- ★ No rollovers! No inconvenience to property owners after job is finished.
- ★ Remote video inspection takes just minutes to complete with no additional cost for the inspection.
- ★ Inspections are guided via secure hi-definition video conferencing with a video record of the entire inspection.
- ★ Obtain multiple inspections on the same day.
- ★ In the event of a failed inspection, your workers can correct deficiencies and request immediate re-inspection.
- ★ Complete system integration with results available in the ePZB portal.
- ★ Coordinates GPS location confirmation with Google Maps.

REQUEST YOUR INSPECTION INSTANTLY Mon.-Fri 8 a.m.—5 p.m.
