Any such violation may result in award cancellation, return of materials, discontinuation of services, and removal from the vendor list(s), and/or debarment or suspension from doing business with Palm Beach County.

Vendors may, however, contact any County Commissioner, County Commissioner's staff, or any employee authorized to act on behalf of the Commission to award a particular contract, via written communication, i.e., facsimile, e-mail or U.S. mail. Violations of the "Cone of Silence" are punishable by a fine of \$250.00 per violation.

All vendors shall disclose the name of any County employee or relative of a County employee who owns, directly or indirectly, an interest of ten percent (10%) or more in the vendor's firm or any of its branches. The County's Code of Ethics, which applies to all County officials and employees, shall serve as the County's conflict of interest policy for federal awards.
- i. **SUCCESSORS AND ASSIGNS**: The County and the vendor each binds itself and its successors and assigns to the other party in respect to all provisions of the contract/order. Neither the County nor the vendor shall assign, sublet, convey or transfer its interest in the Contract without the prior written consent of the other.
- j. **INDEMNIFICATION**: Regardless of the coverage provided by any insurance, the vendor shall indemnify, save harmless and defend the County, its agents, servants, or employees from and against any and all claims, liability, losses and/or causes of action which may arise from any negligent act or omission of the vendor, its agents, servants or employees during the course of performing services or providing goods pursuant to this solicitation, the resultant contract, and/or the order/contract. Further, vendor shall hold County harmless and indemnify County for any funds that the County is obligated to refund the Federal Government arising out of the conduct, activities or administration of the contract by the vendor.
- k. **PUBLIC RECORDS, ACCESS, AUDITS AND RETENTION**: The vendor agrees that copies of any and all property, work product, documentation, reports, computer systems and software, schedules, graphs, outlines, books, manuals, logs, files, deliverables, photographs, videos, tape recordings or data relating to the Contract/Order which have been created as a part of the vendor's services or authorized by the County as a reimbursable expense, whether generated directly by the vendor, or by or in conjunction or consultation with any other party whether or not a party to the Contract/Order, whether or not in privity of contract/order with the County or the vendor, and wherever located shall be the property of the County.

Any material submitted by vendor in response to this solicitation and/or as part of this Contract/Order is considered a public document in accordance with section 119.07, Florida Statutes. All submitted information that the responding vendor believes to be confidential and exempt from disclosure (i.e., a trade secret or as provided for in sections 119.07 and 812.081, Florida Statutes) must be specifically identified as such. Upon receipt of a public records request for such information, a determination will be made as to whether the identified information is, in fact, confidential.

Vendor shall provide the County with an annual financial audit report that meets the requirements of sections 11.45 and 216.349, Florida Statutes, and chapter 10.550 and 10.600, Rules of the Auditor General, and, to the extent applicable, the Single Audit Act of 1984, 31 U.S.C. §§ 7501-7507, and the related provisions of the Uniform Guidance, 2 C.F.R. § 200.303 regarding internal controls, 2 C.F.R. §§ 200.330-200.332 regarding subrecipient monitoring and management, and 2 C.F.R pt. 200, Subpart F regarding audit requirements. Any party receiving such funds shall comply with said provisions, and shall fully cooperate with any other party's compliance with said provisions.

The vendor further agrees that all fees, charges and expenses shall be determined in accordance with Palm Beach County PPM CW-F-002, Fees Associated with Public Records Requests, as it may be amended or replaced from time to time.
- III. Ensure that public records that are exempt, or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the Contract, if the vendor does not transfer the records to the public agency. Nothing contained herein shall prevent the disclosure of or the provision of records to the County.
- IV. Upon completion of the Contract, the vendor shall transfer, at no cost to the County, all public records in possession of the vendor unless notified by County's representative/liaison, on behalf of the County's Records Custodian, to keep and maintain public records required by the County to perform the service. If the vendor transfers all public records to the County upon completion of the Contract, the vendor shall destroy any duplicate public records that are exempt, or confidential and exempt from public records disclosure requirements. If the vendor keeps and maintains public records upon completion of the Contract, the vendor shall meet all applicable requirements for retaining public records. County shall have the right to exercise any and all remedies available to it for breach of contract, including but not limited to, the right to terminate for cause. Vendor acknowledges that it has familiarized itself with the requirements of chapter 119, Florida Statutes, and other requirements of state and/or federal law applicable to public records not specifically set forth herein.
