Section 3. If the grievance procedure is instituted over discipline, any written disciplinary action will not be placed in the personnel file or any permanent file until the grievance procedure is completed. If the discipline is rescinded, disciplinary action will be stamped as such and placed in the personnel file. During the promotion process, disciplinary material in the employee's personnel file two (2) years or older (or one (1) year older in the case of reprimands or counseling) will not be given to any interview board.

If the grievance has not been resolved in Step 2, the Union may request a final and binding deposition by filing a written request for arbitration with the Fire Rescue Administrator within sixty (60) days of the completion of Step 2. An arbitrator shall be selected from a panel of seven arbitrators provided by the Federal Mediation and Conciliation Service. The Union shall have the exclusive right to proceed to arbitration on behalf of bargaining unit members.

Section 3. Where a grievance is general in nature in that it applies to a number of employees having the same issue to be decided, or if the grievance is directly between the Union and the County, it shall be presented in writing directly at Step 2 of the

Grievance Procedure, within fifteen (15) days of the time limits provided for the submission of a grievance in Step 1 and shall be signed by the aggrieved employees or the Union representative on their behalf.

Section 6. The Union reserves the right not to represent employees who are not members of the Union.

Section 7. If any employee elects not to have Union representation, or if the Union elects not to represent the employee, the County shall keep the Union informed of all proceedings initiated by the employee on his or her own behalf, provide copies of all written documents, and give the Union full access to any meeting held on the matter.

Section 8. In the event that either party claims that a dispute is not arbitrable the arbitrator will rule on that issue and also on the merits of the grievance if it is determined to be arbitrable.

Section 9. The limits set forth in this article are of the essence and must be strictly complied with, but may be extended by mutual written agreement of the parties. A grievant's or Union's failure to process a grievance within the time limits set forth in this Article shall mean that the grievance shall be treated as withdrawn unless the parties agree otherwise in writing. In order to be eligible for processing, a grievance must be timely filed and contain the following:

- A. The name of the grievant, whether it is an individual employee or the Union.

Section 8. Affordable Care Act Reporting

The Board of County Commissioners (County) is considered an Applicable Large Employer (ALE) under the provisions of the Affordable Care Act (ACA). As an ALE, the County must comply with all reporting requirements of the ACA for the health plans it sponsors. The Union Plan is considered a sponsored health plan of the County under the ACA because the County contributes funds to the Union Plan under the provisions of the CBA. The Fund shall maintain the Union Plan in compliance with the ACA and shall ensure the Union Plan provides Affordable health insurance coverage that meets Minimum Essential Coverage and Minimum Value, as those terms are defined in the ACA and its regulations. Section 4. The parties agree that the ordinances relating to the Lantana Firefighters' Pension Fund, the Lake Worth Firefighters' Pension Trust Fund (Division I), and the Lake Worth Firefighters' Division II Relief and Pension Fund may be amended through normal legislative procedure after written mutual agreement between the Fire Rescue Administrator and the Union President.

ARTICLE 31 - EMPLOYEE BENEFITS

Section 1. Section 2. Section 1 of this Article shall not be subject to grievance or arbitration under this Agreement.

Section 3. All rights, privileges, and working conditions, enjoyed by a majority of the District Chiefs, which have been established and recognized by the Fire Rescue Administrator, and not specifically included in this Agreement, shall remain in full force during the term of this Agreement, unless changed by mutual consent, in writing.

Section 4. Any employee filing a grievance under this Article, shall bear the burden of proof that such right, privilege, or working condition existed for a majority of the District Chiefs prior to the implementation of this Agreement.

ARTICLE 32 - SAVINGS CLAUSE

It is agreed by and between the parties that if any provision(s) of this Agreement is for any reason held or declared to be unconstitutional, inoperative, or void, such holding of invalidity shall not affect the remaining portions of the Agreement; and the remainder of the Agreement after the exclusion of such provision shall be deemed to be held valid as if such provision had not been included therein. Any substitute action agreeable to the County would be subject to appropriate consultation and negotiations with the Union.

Further all MOU's which are still in effect have been incorporated into this contract. All other MOU's are no longer in effect upon ratification of this contract.

ARTICLE 33 - DURATION OF AGREEMENT

It is understood by and between the parties that this Agreement and any side agreements executed by the parties constitutes the entire agreement between the parties and shall be effective upon ratification, except as otherwise provided herein, and shall continue until September 30, 2024, unless otherwise provided in any specific article. This Agreement shall be automatically renewed annually provided, however, that either party may give written notice by March 1, 2024, of its intention to renegotiate the Agreement or specific Articles of Agreement. Such written notice shall include an enumeration of the items to be renegotiated and only those articles shall be renegotiated. Any party providing such notice must thereafter provide written proposals on all articles it identified in the notice and up to two (2) other articles by April 15th. If a mutually satisfactory agreement is not reached within an appropriate time period, all disputed matters shall be resolved in accordance with Florida Statutes, Chapter 447.

ARTICLE 34- EMPLOYEE BILL OF RIGHTS

All Bargaining Unit employees shall be afforded the protection spelled out in the Firefighter Bill of Rights, Section 112.80 - 112.84, Florida Statutes, which shall be deemed fully incorporated herein.

ARTICLE 35 - WELLNESS

Section 1. Wellness.

Employees covered by this agreement shall be considered part of the Department's Wellness program as identified within the Collective Bargaining Agreement for the main bargaining unit.

Section 2. Medical Physicals.

- A.** All District Chiefs shall be required to complete an annual medical examination, administered or reviewed by the Fire Department Physician.
- B.** All medical examinations shall be administered using NFPA 1582 Standards as a guideline except that employees shall participate annually.
- C.** Employees may choose to use their own physician in lieu of the Fire Department Physician for the Medical Examination. However, employees who choose this option shall be responsible for the following:
 - 1.** Notify the Wellness Coordinator of the name and the location of their physician;
 - 2.** Bear the cost of the medical examination;
 - 3.** Ensure that medical examinations are conducted using the same guidelines criteria, and standards as the Fire Department Physician.
 - 4.** Forward records of the medical examination to the Fire Department Physician for review and placement in the employee's medical file.

All employees shall be required to see the Fire Department Physician for any portion of their medical physical not completed by their own physician.

- D.** All personnel shall be responsible for scheduling and completing the medical examination, Physical Fitness Evaluation (PFE), fit testing and

Behavioral Health Screening. All employees shall have their medical physical, Physical Fitness Evaluation (PFE) fit testing, and Behavioral Health Screening completed no earlier than one month prior to the month preceding their birth date, and no later than the last day of the month of their birth date. Failure to complete the medical examination, Physical Fitness Evaluation (PFE), fit testing and Behavioral Health Screening during this time frame may result in the employee being placed on unpaid administrative leave, unless prior authorization has been granted by the Fire Rescue Administrator, until such time as the process is complete.

- E.** Any employee who cannot perform the essential functions of their position, in the opinion of the Fire Department Physician, shall not be permitted to engage in fire suppression until the requirements are met. Any employee who disagrees with the results or recommendations of a medical examination conducted by the Fire Department Physician shall be entitled to seek a second opinion from a qualified physician of their choice at the employee's expense. If there is a disagreement between the Fire Department Physician and the employee's physician, a third physician agreeable to both the FD Physician and the employee shall be consulted for a final determination. The cost of a third party physician shall be split between the employee and Fire Rescue.
- F.** All employees shall receive a medical examination and a PFE prior to returning to their assignment after any medical absences greater than six (6) months.

Section 3. Drug Testing.

All employees shall be required to submit to a random drug screening, as detailed in the Collective Bargaining Agreement.

Section 4. Physical Fitness.

All employees shall attend a physical fitness evaluation (PFE), administered by the Fire Rescue Exercise Physiologist, on an annual basis following their medical examination. The PFE will be based on the ACSM Guidelines for Fitness Prescription, administered in accordance with Policy #FR-H-201, and may be amended by agreement between the Fire Rescue Administrator and the Union President.

In the event the County reasonably suspects an employee to be unable to perform the essential functions of their position, the County may require such employee to submit to a fitness for duty examination to be conducted at the expense of the County while the employee is on duty. The County may only then remove an employee from his or her regular assignment or otherwise not allow an employee to return to duty in his or her regular assignment with just cause.

Section 5. Employee Assistance Program.

Employees covered by this agreement shall be eligible for all Employee Assistance Programs, including CISM, PTSD and Peer Support Group provided by the Department, as contained within the Collective Bargaining Agreement for the main bargaining unit.

Section 6. Sick Leave.

A. Sick Leave Use

It is agreed between the parties that sick leave use can have a detrimental effect on the daily operation of Fire Rescue, including the workload of other Fire Rescue employees, the level of service Fire Rescue provides to the public, and the safety of the other employees. Palm Beach County and

Professional Firefighters/Paramedics of Local 2928 agree to make every effort to express the importance of dependability and reliability in regards to employee's attendance to all members of Palm Beach County Fire Rescue.

This article is intended as a comprehensive approach to minimizing the use of sick leave to only those bona fide circumstances as provided for in Section D of this section. In order to be effective, two major thrusts have been incorporated into the Article; a disincentive approach, and an incentive approach.

B. Reserve Banks.

All Chief reserved sick leave shall be banked independent of vacation time and sick leave. Chief reserve sick leave bank may be used in lieu of sick leave for illness, injury or scheduled doctor's appointments. Up to fifty (50%) percent of this Chief reserve sick leave bank shall be payable upon separation from the County, in accordance with the County merit rules.

At the time of a new allotment, employees can place up to one hundred four (104) hours from their unused sick leave allotment to their reserve vacation bank. An employee's reserve vacation bank is capped at one hundred four (104) hours and shall not be payable upon separation.

C. Sick Leave Allotment.

1. After the cutoff date each year, which shall be November 1, all employees shall be allotted one hundred and four (104) hours of sick leave for the next twelve (12) months.
2. Employees on a leave of absence without pay will have their sick allotment adjusted to reflect the prorated amount of hours to which the employee is entitled.

3. Employees may use this time at one hundred (100%) percent of their current salary in accordance with Section D of this Article.
4. Employees shall not be awarded any sick leave compensation beyond one hundred and four (104) hours during any twelve (12) month period, unless they request, and are approved to use extended leave as described in Article 35, Section 6-D. However, employees may use their reserve sick leave bank to supplement an individual, short-term absence beyond the one hundred and four (104) hour allotment, until such time as their reserve sick leave bank is depleted. In no case shall the employee's main vacation account be used to supplement this type of absence unless, in the sole discretion of the Fire Rescue Administrator, which shall be final, binding, and not subject to grievance or arbitration, a waiver of this provision is granted. If granted, an employee may elect to have vacation time deducted retroactively. Extended leave shall be defined as a single sick leave occurrence over one hundred and four (104) hours. In the event of an extended leave, employees shall be awarded pay at one hundred (100%) percent of their remaining allotted hours. Starting with the one hundred and fifth (105) consecutive hour of absence, through three (3) months from the date of injury or illness, employees shall be awarded extended leave compensation at eighty five (85%) percent of their current salary. After three (3) months and through twelve (12) months of consecutive leave from the date of illness or injury, employees shall be awarded sixty-five (65%) percent of their current salary. Employees shall not be awarded any sick leave compensation exceeding twelve (12) continuous months from the time of an illness or injury; and shall have up to eighteen (18) months during which to return to work. Employees who are granted extended leave shall not engage in off duty employment
5. Employees who require extended leave may use their reserve sick leave time, vacation time and/or reserve vacation time to supplement any uncompensated portion of the leave.
6. Employees who are on extended leave at the time of a new sick leave allotment shall be required to use their allotted time (104 hours) at one hundred (100%) percent of their current salary, and shall then return to the current eligible extended leave compensation status without a break in the continuity of that status.

7. Employees must return to full duty for a minimum of six (6) months from an extended leave prior to being eligible to start a new extended leave compensation for any illness or injury. Employees who return to extended leave within six (6) months of returning to fully duty, for any illness or injury, shall be awarded the remaining benefits from the previous extended leave and shall have the duration of the two (2) leaves counted accumulatively.
8. Employees who leave Fire Rescue who are in pay status at the time of departure shall be eligible to be paid out for unused allotted sick leave on a pro-rata basis as defined in this Article (this payout shall not include the reserve sick bank hours).

D. Extended Leave

When an employee is requesting extended leave for an illness or injury he/she must first get, from their treating physician, a written assessment of what work restrictions the employee has and how long these restrictions are anticipated to last. If the restrictions are anticipated to last more than thirty (30) days the employee shall procure from the treating physician an updated assessment of the employee's work restrictions and provide the same to the County at least every thirty (30) days. All written assessments shall be reviewed by the Fire Rescue Administrator and the Fire Department Physician or the EAP Coordinator, whichever is appropriate. They may contact the employee and/or their treating physician for verification. At such time that the restrictions preventing an employee from being returned to work or placed in a light duty assignment are removed, and a return to work or light duty assignment is offered, extended leave will no longer be available. The Fire Rescue Administrator may request the employee get a fitness for duty examination from a physician selected by and paid by the Department at any time an employee is on extended leave.

E. Approved Sick Leave Use

Sick leave shall be awarded on an hour for hour basis to employees for the following reasons provided, that the condition is not job related:

1. Incapacitation due to illness or injury.
2. Attendance would jeopardize the health of co-workers due to exposure to a contagious illness/disease.
3. Prescribed medical treatment that falls on duty days.
4. Care of an immediate family member who is not able to care for herself/himself and who is residing with the employee for whom the employee is rendering medically related assistance, and there is no other person available to care for said individual. If approved, extended family care leave that meets the above criteria shall be taken at 65% of pay, following the use of half (1/2) the sick allotment given on November 1st. The 65% of pay can be supplemented with reserve, sick, and/or vacation time. This leave shall be limited to six (6) months in any eighteen (18) month period. Employees who are granted this leave shall not engage in off duty employment.
5. Hospitalization of a family member– Leave for extended hospitalization of a family member, if approved, shall be taken at 65% of pay, following the use of half (1/2) the sick allotment given on November 1st. The 65% of pay can be supplemented with reserve, sick and/or vacation time. This leave shall be limited to three (3) months in any fifteen (15) month period. Employees who are granted this leave shall not engage in off duty employment.
6. Medical, dental or optical examination or treatment.
7. Baby Bonding (Maternity/Paternity) leave shall be taken at 65% of pay, following the use of half (1/2) the sick allotment given on November 1st. The 65% of pay can be supplemented with reserve, sick and/or vacation time. This leave shall be limited to three (3) months. Employees who are granted this leave shall not engage in off duty employment.
8. Pregnancy - An employee experiencing a documented high-risk pregnancy may apply for extended leave. The extended leave shall terminate upon the birth of the baby, with Baby Bonding following continuous thereafter in accordance with this Article. Employees may

request in writing (which shall include the reason for the request) to the Fire Rescue Administrator to extend Baby Bonding for up to three (3) additional weeks by using either vacation or going into out-of-pay status. The Fire Rescue Administrator has the final approval which is not subject to the grievance process. If at the conclusion of Baby Bonding leave the employee is medically unable to return as a result of complications, she may start extended leave in accordance with the terms of this Article. Employees who experience a documented high-risk pregnancy and were on extended leave at the time of the birth of the baby, and who are medically unable to return as a result of complications, may continue their extended leave from prior to the birth of the baby counting their baby bonding time as part of the original extended leave.

Employees may elect to use vacation time in lieu of Baby Bonding, provided that such leave may not exceed six (6) weeks.

9. Any absence not described above that prior authorization is received.

F. Incentives.

1. After the cut-off date each year, which will be November 1st, employees shall receive as a bonus, the remainder of their allotted time paid for on an hour for hour basis at their currently hourly rate of pay. Employees will be credited with their annual sick leave allotment beginning on the next pay period. Any sick leave taken before the cutoff date which is not processed prior to the bonus payoff will be deducted from the next year's allotment.
2. Any eligible employees shall receive the sick leave bonus on the first pay day in December that calendar year. Employees may choose to allocate a portion, or all, of their allocated hours, in lieu of bonus, to their reserve vacation bank provided the reserve vacation bank is capped at one hundred and four (104) hours and is not payable upon separation from the County.

G. Sick Leave Procedure.

1. It shall be the employee's responsibility to notify their immediate supervisor at least thirty (30) minutes prior to the start of their work day with the reason for their absence.
2. Sick leave shall be awarded on an hour for hour basis, in quarter hour increments, for all employees.
3. Any employee requesting sick leave for reasons which are not consistent with this Article shall be denied leave time and may be subject to discipline for inappropriate use of sick leave as described in Section A-3 of the disciplinary guidelines of the Fire Rescue Department Manual.

Section 7. Leaves of Absences/Blood Donors.

A. Leave Without Pay

Employees shall be entitled, upon written request, to a leave of absence without pay or benefits for up to six (6) months after exhausting their accrued leave time as follows:

1. **Education Leave** - due to education or training of mutual benefit to the employee and the County, upon approval of the Fire Rescue Administrator.

B. Blood Donors.

Employees who volunteer as blood donors to contribute to a not for profit supported blood donor organization will be granted enough time off with pay to accomplish this purpose, consistent with staffing requirements. The Blood Donor Organization shall determine the amount of rest time the employee needs from the point of donation until the employee may return to full duty.

Section 8. Communicable Diseases.

A. Presumption

It shall be presumed that any employee who contracts hepatitis B or meningitis shall have contracted the disease while on duty.

B. Immunization

- a. The County shall provide a one-time immunization during the life of this Agreement for all employees who want to be immunized, as follows:

Tetanus

Hepatitis (Type A and B)

Rubella (for females of child bearing age)

- b. Employees who refuse to be immunized for Hepatitis - B and who later contract the disease shall not be presumed to have contracted the disease while on duty.

Section 9. Disability Leave.

Definition of Permanent Disability: A District Chief is considered permanently disabled if that employee is likely to remain so disabled continuously and permanently.

A. Short Term Disability

1. **On-The-Job Disability:** Any employee, who incurs an illness or is injured while acting within the scope of his or her employment, and no part of their Workers' Compensation claim has been controverted by the County by filing a Notice of Controvert shall be entitled to disability leave with no loss in pay or benefits, except as otherwise stated in this agreement, until the employee returns to the essential duties of the employee's position; provided that such benefits are limited to a maximum of two (2) years. Further provided, that if the employee returns to work and later goes out with the same illness/injury, within six

(6) months of that employee's return to work from the initial illness/injury, that employee's time shall be cumulative with respect to the two (2) year maximum cap. If a controverted claim for Worker's Compensation is later resolved to pay Worker's Compensation benefits, than the employee shall be entitled to disability benefits under this Article, retroactively. Disability benefits shall also be payable if a Worker's Compensation claim is not filed if the disability as provided in this Section is for seven (7) days or less.

Because of exposure to heat, smoke, and fumes and/or carcinogenic, poisonous, toxic, or chemical substances, when a high risk employee is unable to perform his/her regular duties in the fire service by reason of a disabling cancer as described below, he or she shall be entitled to benefits as stated in Article 35, Section 9 (A)(1), (A)(2), and (B) On-The-Job Disability and SLTD regardless of whether a Workers' Compensation claim for the cancer is controverted. Employees may not be eligible for Workers' Compensation benefits and/or medical payments as provided for under Chapter 440 of the Florida Statutes. Employees must meet the following criteria to be eligible:

- Must successfully pass a physical examination administered prior to the individual beginning service as a firefighter; the results must fail to reveal any evidence of such a health condition
- Individual must be employed as a firefighter or high-risk Investigator with the County for the time specified below prior to becoming totally or partially disabled or prior to their death
- Prior to becoming totally or partially disabled or before his/her death, individual must not have used tobacco products for at least five years
- During the preceding five years, the individual may not have been employed in any other position – including employment as a firefighter at another employing agency – that is proven to create an increased risk for multiple myeloma, non-Hodgkin's lymphoma, prostate cancer, or testicular cancer

For purposes of determining leave time and employee retention policies, an employee's cancer diagnosis must be considered an injury or illness incurred in the line of duty by the County irrespective

of whether or not covered by workers' compensation. The employee shall be considered totally and permanently disabled if they are prevented from rendering useful and effective service as a firefighter and is likely to remain disabled continuously and permanently due to the diagnosis of cancer or circumstances arising out of the treatment of cancer.

The disabling cancer referred to above shall include types of cancer which may be caused by exposure to heat, smoke, radiation, or a known or suspected carcinogen and shall be limited to the following eleven (11) cancers:

This assignment shall be based on a forty (40) hour work week and may displace an employee assigned to light duty under Section 9(A)(3) of this Article. An employee who does not wish to accept a light duty assignment under

this section shall use vacation and then sick leave until each has been exhausted, after which, an employee who refuses a light duty assignment in the Department shall not be entitled to benefits under Section 9(A)(1) of this Article. An employee assigned to light duty shall suffer no loss in pay or benefits and shall continue under high risk pension if the employee was under high-risk pension at the time of the injury, and if permitted by law.

- 3. Light Duty (Off-The-Job Disability)** - An employee who incurs an illness or injury outside the line of duty or who cannot perform regular responsibilities due to pregnancy or medical reason, shall request and shall be entitled to work light duty if the position is determined by the Fire Rescue Administrator to be available, if the employee qualifies for the position, and if the employee's medical condition permits. An employee working such light duty position shall be paid, and shall be entitled to benefits, as provided for that position, except the employee shall continue under the Union Insurance Plan and shall continue under high-risk pension if permitted by law.
- 4. Short Term Disability (Off-The-Job)** -For non-job-related illness/injuries, an employee shall have a maximum duration of eighteen (18) months within which to return to the essential duties of the employee's position, with or without a reasonable accommodation. The ability to perform the essential duties of a position shall be determined by the Fire Rescue Department Physician and verified by the Occupational Health Clinic. Provided, that if an employee returns to work and later goes back out with any injury/illness, within six (6) months of that employees return to work from the initial illness/injury, that employees time shall be cumulative with respect to the eighteen (18) months maximum cap.
- 5. Medical Examination** - Any employee out of work under the provision of this article may be requested by the Department to present themselves for a medical examination through the Occupational Health Clinic. Such requests will be made no more frequent than every thirty (30) days. The failure of such employee to do so will terminate any payments under this article.

B. Supplemental Long-Term Disability Benefits (SLTD)

1. The County shall provide the following supplemental long-term disability benefits for line of duty disability for District Chiefs who are in the FRS Special Risk Retirement Plan at the time of injury or illness, except that merged Lantana and Royal Palm Beach personnel will receive long term disability benefits as specified below.

Lantana personnel shall be entitled to the long term disability benefits provided for by the Lantana Pension Fund. The parties agree to modify the plan to provide a long term disability benefit of seventy-five (75%) percent of the best five (5) years average pay, Average Final Compensation (AFC), and will jointly submit this modification for approval to the Town of Lantana. Calculation of Average Final Compensation (AFC) shall be determined by the Lantana Pension fund administrator in accordance with FRS methodology.

Royal Palm Beach personnel shall be entitled to an SLTD benefits as listed below in 9(B)(6), provided that calculation of these benefits shall be offset by Royal Palm Beach Pension Plan benefits as described in 9(B)(9) below. The best five (5) years average pay, Average Final Compensation (AFC), shall be determined by the Royal Palm Beach Pension fund administrator in accordance with FRS methodology.

Former Lake Worth firefighter employees who join FRS at the time of transfer and who immediately prior to transfer were non-DROP members of the Lake Worth Firefighters' Pension Trust Fund that provided a long-term disability benefit, shall be eligible for SLTD benefits as outlined in Article 45, Section 9. Former Lake Worth firefighter employees who remain as non-DROP participants in the Lake Worth Firefighters' Pension Trust Fund after the transfer shall be subject to the long-term disability benefits provisions, if any, of their Lake Worth Retirement system which may be supplemented by SLTD benefits. Former Lake Worth retirement plan shall not be eligible for any SLTD benefits.

The SLTD benefits as determined in Article 45, Section 9, shall be offset by any disability benefit, or regular, recurring defined benefit received from any Lake Worth retirement plan. When the employee becomes eligible for non-penalized withdrawals, whether withdrawn or not, from any Lake Worth retirement fund, this amount shall be

considered as FRS regular retirement benefits when determining the SLTD benefits from the County.

Example: No WC, Does not qualify for FRS Disability

AFC	\$100,000
Net SLTD Benefit (75%)	\$ 75,000
FRS Benefit	\$ 15,000
LW Non-Penalized Pension or Disability Benefit	\$ 45,000
County Obligation	\$ 15,000
Total Net Benefit	\$ 75,000

2. Definition of Disability: A District Chief shall be considered disabled if the District Chief is wholly prevented from rendering useful and efficient service as a District Chief. A District Chief is considered permanently disabled if that employee is likely to remain so disabled continuously and permanently.
3. This benefit will not replace Section 9(A)(1). The two (2) year disability benefit provided in Section 9(A)(1), shall remain in place.
4. Eligibility: Employees who are or were ever required to be certified Firefighters as a condition of County employment shall be eligible for this benefit from the first day of employment. Disability must arise or presume to arise in the performance of employment. Determination that the injury occurred in the line of duty, or that the disability is presumed to have arisen in the performance of employment, shall initially be made by the County. Disputes over these determinations shall be finally resolved by the grievance and arbitration procedure established in Article 14 or this Agreement. Supplemental benefits shall not be approved when the disability arises out of an injury intentionally caused by the employee.

Any claim incurred as a result of any injury, illness, or related condition for which a symptom or physical finding existed in such manner as would cause an ordinary prudent, person to seek medical advice, diagnosis, care or treatment, or for which medical advice, diagnosis, care or treatment was recommended or received, within the six (6) month period immediately prior to the employee's hire date, shall not be covered until the employee is treatment free for a period of six (6) consecutive months.

- 5. Determination of Disability:** Disputes as to whether an employee is "totally disabled" and "permanently disabled" shall be finally resolved by a Physician selected by the Union and the County, and shall not be submitted to the grievance and arbitration procedure established in Article 14 of this Agreement. Disputes over procedural, non-medical aspects of these determinations shall be finally resolved by the Fire Rescue Administrator and shall not be subject to grievance and arbitration in accordance with this Collective Bargaining Agreement.
- 6. Benefit:** The amount of any SLTD benefit shall be determined in combination with FRS benefits (exclusive of COLAs) and Workers' Compensation wage benefits (exclusive of COLAs after separation) as follows:
- a.** Employees who apply for but are not receiving Workers' Compensation or FRS benefits shall receive an SLTD benefit of seventy-five (75%) percent of the best five (5) years average pay, Average Final Compensation (AFC), as determined by the Florida Retirement System;
 - b.** Employees who apply for and receive FRS disability benefits shall receive a SLTD benefit that, combined with the FRS disability benefit, equals one hundred (100%) percent of the best five (5) years average pay, Average Final Compensation (AFC);
 - c.** Employees who apply for and receive FRS regular benefits shall receive a SLTD benefit that, combined with the FRS regular benefit, equals seventy-five (75%) percent of the best five (5) years average pay, Average Final Compensation (AFC). Employees receiving an FRS regular benefit in excess of seventy-five (75%) percent shall receive no SLTD payment from the County.
 - d.** Employees who apply for and receive Workers' Compensation benefits shall receive a SLTD benefit that, combined with the Workers' Compensation benefit at the time of separation, equals one-hundred (100%) percent of the best five (5) years average pay, Average Final Compensation (AFC). If Workers' Compensation benefits are discontinued, the employee shall receive a benefit in accordance with subsection (6)(a) above;

- e. For employees who enter into a Workers' Compensation settlement, once the amount of the settlement treated as wages, calculated as described below in 9(B)(8), has been exhausted, the employee shall receive a benefit in accordance with subsection 6(a) above;
- f. Employees who apply for and receive both Workers' Compensation benefits and FRS disability or regular benefits that do not equal or exceed one-hundred (100%) percent of AFC when combined, shall receive an SLTD benefit that when combined with the Workers' Compensation benefit at time of separation and the FRS benefit shall equal one hundred (100%) percent of the best five (5) years average pay, Average Final Compensation (AFC). If Workers' Compensation benefits are discontinued, the employee shall receive a benefit in accordance with item subsection (6)(b) or (c) above. Employees receiving Workers' Compensation and FRS disability or regular benefits in excess of one-hundred (100%) percent of AFC shall receive no SLTD payment from the County.

7. Florida Retirement System (FRS): As a condition of receipt of supplemental benefits under this Article, all applicants must apply for FRS Disability benefits. FRS "Retirement Option 1" benefit amounts shall be used to calculate SLTD benefits, if the employee elects to receive Option 1 benefits. FRS "Retirement Option 2" benefit amounts shall be used to calculate SLTD benefits, if the employee elects to receive any option other than Option 1 benefits. For employees who elect the FRS Investment Plan, the monthly benefit that would have been received from "Retirement Option 1" under the FRS Defined Benefit Plan shall be used to determine the SLTD benefit. Employees shall be required to apply for FRS Regular benefits if they are denied FRS Disability benefits and if they are eligible to receive FRS Regular benefits without early retirement penalty. No employee shall be required to apply for FRS Regular benefits until such time as they may receive these benefits without early retirement penalty. At such time as an employee qualifies for "non-penalized" FRS regular benefits, and chooses not to apply for "non-penalized" benefits, the SLTD payment shall be recalculated using the Option 1 FRS benefit amount. If the calculation method for determining Average Final Compensation (AFC) is changed by FRS, the method used for

calculating AFC for SLTD benefits shall be similarly changed. Retro-active recalculation of AFC, and SLTD benefits shall match the retro-active provisions adopted by FRS.

- 8. Workers' Compensation:** All wage monies received from Palm Beach County's Worker's Compensation shall be used in the determination of the County's SLTD payment. Employees who enter into a Workers' Compensation Settlement Agreement with Palm Beach County which contains Lump Sum amounts designated as anything other than medical (e.g. wages, Compensation or Indemnity), shall have thirty-five (35%) percent of this amount treated as wages. The amount of Workers' Compensation wages shall be calculated by dividing thirty-five (35%) percent of the lump sum amount by the bi-weekly Workers' Compensation rate at the time the settlement was entered into. The resulting number represents the number of pay periods that the bi-weekly Workers' Compensation amount will be included in the determination of the SLTD payment. Once thirty-five (35%) percent of the lump sum amount has been used in the determination of the SLTD payment, the SLTD benefit shall be adjusted in accordance with 9(B)(6) above.

Example: Employee has a Workers' Compensation settlement which includes \$10,000 identified as indemnity. The settlement agreement identifies that the employee was receiving \$700 per pay period Workers' Compensation non-medical benefit.

$$\$10,000 \text{ Lump Sum} \times 35\% = \$3,500$$

$$\$3,500 / \$700 = 5 \text{ pay periods}$$

The SLTD payment shall be readjusted after 5 pay periods.

- 9. Royal Palm Beach Pension Benefits:** Former Royal Palm Beach employees shall be eligible for SLTD benefits as outlined above, with pension benefits off-set as follows. At the time of termination of the Royal Palm Beach Pension Plan, the balance of the employee's retirement account which can be attributed to employer contributions (Royal Palm Beach and Palm Beach County) including investment gain/loss shall be obtained from the Royal Palm Beach Pension Board Administrator, as of the date of the last contribution made by the County. When the employee becomes eligible for non-penalized withdrawals from the pension account, (of if the employee

makes withdrawals earlier) that amount shall directly off-set the SLTD benefits, until such time that the recorded balance has been off-set.

Example: Employee has a Royal Palm Beach retirement account balance which at the time of termination of the plan includes \$100,000 attributed to employer contributions including investment gain/loss. The employee was receiving \$2,000 per pay period SLTD benefit.

$$\$200,000/\$2,000 = 50 \text{ pay periods}$$

The SLTD payment shall be reduced to \$0 for 50 pay periods. After 50 pay periods, the SLTD payment shall be re-calculated to the appropriate amount.

10. Over-Payments: Due to the impact of FRS benefits and Workers' Compensation benefits on the determination of the SLTD benefit, SLTD recipients shall promptly notify the County of any changes in Workers' Compensation or FRS benefits, other than COLAs. At the time employees apply to receive SLTD benefits, they shall be required to acknowledge the obligation to notify the County of any changes in Workers' Compensation or FRS benefits. Failure to notify the County of these changes shall obligate the recipient to repay any resulting overpayments. Overpayments resulting from retroactive FRS and Workers' Compensation lump sum payments shall be immediately paid to Palm Beach County. In the event of an overpayment the county will recoup said overpayment if the overpayment resulted from the individual's failure to notify the County of a retroaction payment from FRS or Workers' Compensation, or if the employee knew or should have known about the overpayment. With the exception of lump sum payments, unless a recipient agrees otherwise, recipients who repay through a reduction in SLTD benefits shall not have their benefit reduced by more than \$250 per pay period or thirty-five (35%) percent of their SLTD benefit, whichever is less

11. Alternative Employment: An employee, who is qualified for supplemental long term disability benefits as provided for above, will undergo a functional capacity evaluation by the physician identified in Section 9(B)(5) to determine his/her ability to provide productive service to Fire Rescue in a non-firefighting bargaining unit position. Employees who are offered and accept a position within Palm Beach

County, shall continue to be compensated at the rate of pay of the position they held at the time of the disabling illness or injury, or the new position, whichever is greater, and shall continue to accrue special risk retirement benefits, if permitted by law. Employees who are deemed able to work by the functional capacity evaluation, and who subsequently refuse an offer of alternative employment for which they are qualified within Fire Rescue, who resign from such a position, or who are terminated for just cause from such a position, prior to eligibility for non-penalized regular retirement benefits, shall only be eligible for an SLTD benefit of sixty-five (65%) percent of AFC. An employee who accepts alternative employment, then subsequently suffers a decline in their medical condition, shall not be precluded from reasserting entitlement to SLTD benefits provided that after reevaluation the employee is deemed medically unable to continue working in the alternate position. Such benefits shall be calculated on the AFC of Palm Beach County Fire Rescue high risk service only.

12. Time Frame for Application: The County shall send a notice of the right to apply for SLTD benefits at least seventy-five (75) days prior to the expiration of the two-year Short Term Disability period. In order to facilitate the transition from Short Term Disability to SLTD, employees should apply for SLTD benefits at least sixty (60) days prior to the expiration of the 2 year short term disability period to avoid being placed in out-of-pay status. However, employees who leave employment with Fire Rescue shall be eligible to subsequently apply for SLTD benefits for a period of 45 days from the date of termination, or 45 days from the date the employee first becomes aware that they have suffered an illness or injury which is compensable under the SLTD program.

13. Status Review: The Fire Rescue Administrator may request periodic review, not to exceed once every three years, of the status of the individuals receiving SLTD benefits. Individual recipients may be reviewed more frequently based on reasonable suspicion. The cost of this review shall be borne by the County. SLTD benefits will be discontinued if it is determined that the individual is able to return to work as a Firefighter and such a position is made available. Again, disputes as to "totally disabled" or "permanent" shall be determined as previously stated in this Agreement.

14.County Long Term Disability Supplemental payments will coincide with the Fire Rescue Payroll Periods.

15. Fire Academy Instructors

Palm Beach County Fire Rescue (PBCFR) employees who are hired by Palm Beach State College (or other vendor approved by the Fire Rescue Administrator) to provide high-risk instruction to PBCFR personnel and are injured during said high-risk instruction, shall be provided the benefits according to Article 45, Section 9, as if those employees were working for the County; provided that any benefits received from the Palm Beach State College (or other vendor approved by the Fire Rescue Administrator) shall be treated as if such benefits had been received from the County for the purpose of calculating and administering the benefits provided pursuant to Article 45, Section 9.

For the purposes of this section, high-risk instruction shall be defined as hands-on instructional activities which require the use of personal protective equipment such as bunker gear and SCBA. Specific examples would include firefighting functions such as advancing hose lines, performing ventilation and search and rescue operations. Specifically excluded from this definition would be classroom instruction, lectures, etc.

Employees seeking coverage under the provisions of this section must immediately inform the PBCFR class coordinator of the injury and complete a PBCFR "Employees Notification of Injury" report, in addition to fulfilling reporting and documentation requirements of Palm Beach State College (or other vendor approved by the Fire Rescue Administrator).

16. Cancer Initiative

The County and the Union will continue their commitment and support of our F.A.C.E. (Firefighters Attacking the Cancer Epidemic) Team and the FCI (Firefighter Cancer Initiative) by the University of Miami, Sylvester Comprehensive Cancer Center as they research and work to identify cancer exposure potentials and strive to provide solutions and improve existing ones that will reduce OR eliminate identified factors. We share their same purpose: to improve the health and lives of fire service personnel.

ARTICLE 36 - RETIREE INSURANCE

Any and all eligibility requirements, and benefits provided, will be determined solely by the Board of Trustees of the Palm Beach County Firefighters' Retirement Insurance Fund ("Local 2928 Retiree Fund"). All employees covered by this Agreement shall be eligible to participate in the Local 2928 Retiree Fund.

Section 2. County Contributions.

Beginning October 1, 2006, the County will make, on behalf of each bargaining unit employee and employees formerly covered by this agreement who have been promoted outside the bargaining unit (regardless of rank), a contribution equal to two (2%) percent of the then current base annual pay, (as such base pay rate is set forth in the Collective Bargaining Agreement between Local 2928 and the County at the time the contribution is made) plus benefits (e.g., FRS, FICA, and Medicare payments). For employees appointed outside of the bargaining unit, the County will make contributions retroactive to the date of their appointment to be eligible for the benefit. Beginning October 1, 2007, and each October thereafter, the County will make an additional one (1%) percent contribution on behalf of each bargaining unit employee, for a total contribution equal to three (3%) percent of the then current base annual pay. It is understood that one (1%) percent of the October 1, 2006, contribution and the additional one (1%) percent contribution beginning October 1, 2007, on behalf of each member covered by this agreement shall each be in lieu of a one (1%) percent cost of living increase for that year.

Section 3. Annual Payment.

The annual contribution shall be remitted to the Local 2928 Retiree Fund by October 15, 2006, and every October 31st, thereafter, provided that the Department has received a written invoice for said benefits. The County shall pay the annual contribution on behalf of each bargaining unit employee covered by this agreement in pay status on October 1, 2006, and every October 1st, thereafter. Along with the contribution, the County shall provide a list of all bargaining unit members for whom payment was made.

Section 4. Survival of Benefits.

It is understood and agreed that the contribution to the Local 2928 Retiree Fund, provided in this Article, was negotiated and agreed to by the parties in lieu of a wage increase, and is intended to survive as long as Local 2928 is certified as the bargaining representative of employees employed by the Department. In the event of termination of the Local 2928 Retiree Fund the wage increase, specified in this Article, shall be added to each bargaining unit employee's then current base annual pay.

Section 5. Indemnification.

The Union shall indemnify, and hold the County harmless against any claim, demand, suit, or liability, and for all legal costs arising in relation to the implementation, or administration, of the Local 2928 Retiree Fund, except to the extent that the County's acts or omissions give rise to its own liability.

ARTICLE 37 - BENEVOLENT

If the supplemental pay is not sufficient to cover payroll deductions associated with medical coverage, the employee will have to make arrangements to pay directly to the Union Insurance Fund.
- f. After twelve (12) months, if employee is unable to return to work, the employee will be placed in out of pay until they return. No vacation time or sick time can be used until the employee returns to work.

determining whether reasonable suspicion exists to test an employee.

If it is not medically feasible to move the injured employee (within eight (8) hours for alcohol testing, or thirty-two (32) hours for drug testing), specimens shall be obtained at the treating facility under the procedures set forth in this Article and transported to an approved testing laboratory.

- 2.** No specimens shall be taken prior to the administration of emergency medical care. Once this condition has been satisfied, Palm Beach County may obtain results of any tests conducted on a specimen for the presence of alcohol or drugs only as is specifically provided in this Article.
- 3.** Palm Beach County may test for any or all the following drugs: alcohol, amphetamines, cannabinoids, cocaine, phencyclidine, or opiates.
- 4.** Body Specimens – Urine will be used for the initial test for all drugs, and for the confirmation of all drugs, except alcohol. For alcohol, enzyme oxidation (breath or blood) will be used as the initial test and blood (gas chromatography) for the confirmation test. Nothing in this section shall be construed to limit the discretion of a physician to determine whether drawing unrelated to the accident, which may preclude the drawing of the necessary quantity of blood for a testing specimen. No inference or presumption of intoxication or impairment may be made in a case where a physician prevents a specimen extraction based on his or her medical expertise.
- 5.** Cost of testing – Palm Beach County, through and as part of its contribution to the Employee Benefit Fund pursuant to Article 33 of this Agreement, shall pay the cost of all drug tests the County requires of employees and job applicants.
- 6.** Collection Site – The collection site utilized by Palm Beach County must be mutually agreed upon between the County and Local 2928. In addition, Palm Beach County shall utilize a collection site designated by the approved laboratory which has all necessary personnel, materials, equipment, facilities, and supervision to provide for the collection, security, chain of custody procedures, temporary storage and shipping or transportation of urine and blood specimens to the approved drug testing laboratory.

7. Security of the collection site, chain of custody procedures, privacy of the individual, collection control, integrity and identity of the specimen, and transportation of the specimen to the laboratory shall be in accordance with Chapter 59A-24.005, Florida Administrative Code. A form showing the Chain of Custody will be used for each employee or job applicant tested.
8. Collection site personnel – A specimen for a drug test may be taken or collected solely by a physician, a physician’s assistance, a registered professional nurse, or medical assistant who has the necessary training and skills for the assigned tasks.
9. Prior to any collection of a specimen, Palm Beach County shall provide a form for the employee or job applicant to provide any information he or she considers relevant to the drug test, including identification of currently or recently used prescription or non-prescription medication or other relevant medical information. Such form shall provide notice of the most common medication by brand name or common name as applicable, as well as the chemical name, which may alter or affect a drug test. The information provided shall be reviewed by the medical review officer (MRO) in interpreting any positive confirmed results.

G. Laboratories’ Procedures.

1. No laboratory may analyze initial or confirmation drug specimens unless the laboratory is licensed by the Department of Health and Rehabilitative Services and is capable of performing such tests in accordance with Chapter 112.0455, Florida Statutes, and its attendant rules in Chapter 59A-24.006, Florida Administrative Code.
2. Laboratory assistance – The approved laboratory shall provide technical assistance to the MRO or employee for the purpose of interpreting any positive confirmed test results, which could have been caused by a prescription or non-prescription medication taken, by the employee.
3. Laboratory analysis procedures – All laboratory security, chain of custody, transporting and receiving of specimens, specimen processing, retesting, storage of specimens, instrument calibration and reporting of results shall

be in accordance with Section 112.0455, Florida Statutes, and its attendant rules in Rule 59A-24.006, Florida Administrative Code.

4. Initial test – The initial screen for all drugs shall use an immunoassay methodology except that the initial test for alcohol will be an enzyme oxidation methodology. The following cut-off levels, as established by Rule 59A of the Florida Administrative Code, shall be used when first screening specimens to determine whether they are positive or negative for the drugs or metabolites specifically listed below. (In the event that the following cut-off levels, as established by Rule 59A, are subsequently amended by legislation, the cut-off levels set forth below shall control.) All levels which meet or exceed the following shall be reported as positive and reported for confirmation testing:

Alcohol	0.04g%
Amphetamines	1000 ng/ml

Cocaine	300 ng/ml
Phencyclidine	25 ng/ml
Opiates	2000 ng/ml

5. Confirmation test – All specimens identified as positive on the initial test shall be confirmed using gas chromatography mass spectrometry (GC/MS) except that alcohol will be confirmed using gas chromatography (GC). All confirmations shall be done by quantitative analysis. Concentrations, which exceed the linear region of the standard curve, shall be documented in the laboratory record as “greater than highest standard curve value.” The following confirmation cut-off levels, as established by Rule 59A of the Florida Administrative Code, shall be used when analyzing specimens to determine whether they are positive or negative for the drugs or metabolites specifically listed below. (In the event that the following confirmation cut-off levels, as established by Rule 59A, are subsequently amended by legislation, the confirmation cut-off levels set forth below shall

control.) All levels which meet or exceed the following shall be reported as positive:

Alcohol	0.04 g%
Amphetamines	500 ng/ml
Cannabinoids	15 ng/ml
Cocaine	150 ng/ml
Phencyclidine	25 ng/ml
Opiates	150 ng/ml

6. Drug testing laboratories shall retain and store all confirmed positive specimens pursuant to Chapter 112.0455, Florida Statutes, and its attendant rules as established in Chapter 59A-24.996, Florida Administrative Code. The assigned laboratory shall be required to maintain any specimens under legal challenge for an indefinite period.

H. Release of Results.

1. Reporting results:
 - a. The laboratory shall report tests results to the MRO within ten (10) business days after receipt of the specimen by the laboratory.
 - b. The laboratory shall report as negative to the MRO all specimens, which are negative on the initial, test or are negative on the confirmation test. Only specimens, which are confirmed as positive on the confirmation test, shall be reported positive to an MRO for a specific drug.
 - c. The laboratory shall transmit results to the MRO in a manner designed to ensure confidentiality of the information. The laboratory and MRO must ensure the security of the data transmission and restrict access to any data transmission, storage, and retrieval system.

- d.** The MRO and/or the tested employee may request from the laboratory, and the laboratory shall provide, quantitation of test results.
- e.** The MRO will also verify that positive and negative test results were properly analyzed and handled. The MRO will have knowledge of substance abuse disorders and shall also be knowledgeable in the medical use of prescription drugs and in the pharmacology and toxicology of illicit drugs. The MRO shall evaluate the drug test results which are reported by the laboratory, verify the drug test results by checking the chain of custody form that the specimen was collected, transported and analyzed under proper procedures as set forth in this policy.
- f.** The MRO will initially notify the employee or job applicant of a confirmed positive test result within five (5) business days of receipt of the test result from the laboratory, and determine if any alternate medical explanations caused a positive test result. This notification may be accomplished via telephone. This determination by the MRO shall include conducting a medical interview with the employee or job applicant, review of the employee's or job applicant's medical history, review of any other relevant bio-medical factors, a review of all medical records made available by the tested employee or job applicant, and an inquiry as to whether any prescription or non-prescription medications could have caused the positive test result. The MRO will provide an opportunity for the employee or job applicant to discuss the positive test result and to submit documentation of any prescriptions relevant to the positive test result for up to five (5) business days after notification period.
- g.** The MRO will then communicate the test results of an employee or job applicant to a designated representative of Palm Beach County and the employee or job applicant. The test results shall be communicated only after the MRO has verified that the positive and/or negative test results were properly analyzed and handled and, in the case of a positive test result, the MRO has provided at least up

to five (5) business days for the employee or job applicant to discuss the positive test results and to submit documentation of any information relevant to the positive test results.

h. The MRO shall provide to the designated representative of Palm Beach County and the employee or job applicant a copy of the test results subject to the employee protection provision (Section J) and the confidentiality provision (Section N) of this Article.

2. All records pertaining to a given specimen shall be retained by the drug testing laboratory for a minimum of five (5) years. Also, drug testing laboratories shall remain in place all confirmed positive specimens in a properly secured long-term frozen storage facility for a period of at least one year from the date of the initial testing. Within one-year period of time, an employer, employee, job applicant, or medical review officer may request in writing that the laboratory retain the specimen for an additional period of time. If no such request is received, the laboratory may discard the specimen after one year of storage. However, when notified in writing, the laboratory shall be required to maintain any specimens under administrative or legal challenge for an indefinite period.

I. Challenges to Test Results.

1. Within five (5) business days after receipt of the positive confirmed test result from the MRO, Palm Beach County shall inform the employee, in writing via certified letter sent to the employee's last known address, of the positive confirmed test result and the employee's right to explain or contest the test results. The employee must be allowed at least up to five (5) business days to submit information to Palm Beach County explaining the test results prior to the final decision by Palm Beach County.

2. Within fifteen (15) calendar days from when an explanation is due, Palm Beach County must notify the employee in writing of their final decision. If the employee did not submit information explaining the test results, or if Palm Beach County deems the explanation to be unsatisfactory, Palm Beach County must include in their final decision the consequences of such results and the options available to the employee including the right to file an

administrative or legal challenge. All such documentation shall be kept confidential by Palm Beach County and shall be retained by Palm Beach County for at least one (1) year.

3. An employee may challenge the testing procedures, test results, and/or consequential action taken by Palm Beach County through the grievance procedure. Grievances, unless otherwise stated, shall be immediately arbitrated under the expedited arbitration rules as set forth in Article 16, Section 4, of the current collective bargaining agreement. The grievance process will begin as soon as Palm Beach County notifies the employee in writing of Palm Beach County's final decision regarding the tested employee. However, if the employee disputes whether reasonable suspicion exists, the employee may also file a grievance as specifically set forth in the employee protection provision (Section J-2).
4. When an employee does undertake an administrative or legal challenge to the results of a drug test, it shall be the employee's responsibility to notify the laboratory in writing of such challenge. After such notification, the sample shall be retained by the laboratory indefinitely until the administrative or legal challenge is settled. However, regardless of an administrative or legal challenge, all positive confirmed specimens will be retained by the laboratory for at least one year from the date of initial testing. [SECTION H-2 (RELEASE OF RESULTS)]
5. Nothing in this drug testing Article shall be construed to eliminate or diminish any rights provided to Palm Beach County employees by the collective bargaining process and the resulting collective bargaining agreements thereof.

J. Employee Protection.

1. The supervisor recommending reasonable suspicion testing shall detail in writing the circumstances which formed the basis of the determination that reasonable suspicion existed to warrant testing. A copy of this documentation must be given to the employee, and Local 2928, prior to testing. The original documentation shall be kept confidential by Palm Beach County, to the extent permitted by the law.

2. If an employee disputes the supervisor's recommendation of reasonable suspicion, the employee must, nonetheless, submit to a blood/urinalysis test, as ordered by the Deputy Chief of Operations, while also filing a grievance in writing directed to the Fire Administrator within two (2) business days of the testing order. If it is unable to be satisfactorily resolved with the Fire Rescue Administrator within ten (10) calendar days, such a grievance shall be immediately arbitrated under the expedited arbitration rules as set forth in Section K (Expedited Arbitration for Reasonable Suspicion Cases) of this policy. Pending the arbitrator's decision, which shall be final and binding, the blood/urinalysis sample shall be frozen, and testing by the laboratory shall be withheld. Test results will not be released to any representative of Palm Beach County unless the arbitrator confirms that the County ordered the testing based on reasonable suspicion as defined in this policy.
3. All employees may, upon request, have a Union representative present during the testing procedure; provided that the test will not be postponed for more than 60 minutes wait for a Union representative. An attempt will be made to telephone a Union representative advising of said pending tests, but in no instance will the 60 minutes waiting rule be waived.
4. Palm Beach County must place any employees who are tested for reasonable suspicion under the provisions of this Article on administrative leave with pay until a final decision is made on the tested employee by Palm Beach County.
5. Palm Beach County must place any employees whose drug test results are confirmed positive as part of their random drug test, or post accident test, on administrative leave with pay until a final decision is made on the tested employee by Palm Beach County.
6. Palm Beach County will not request or receive from any testing facility any information concerning the personal health, habit, or condition of the tested employee including the presence or absence of HIV antibodies in the tested employee's body fluids.

7. The drug testing laboratory may not disclose any information concerning the health and mental condition of the tested employee.
8. During the 180-day period after written notification of a positive test result, the employee who has provided the specimen shall be permitted by Palm Beach County to have a portion of the specimen retested at the employee's expense. Such retesting must be done at another HRS-licensed laboratory, as previously specified in this Article, chosen by the employee or job applicant. The second laboratory must test at an equal or greater sensitivity level, for the drug in question, as the first laboratory. The first laboratory, which performed the test for the employer, shall be responsible for the transfer of the portion of the specimen to be retested, and for the integrity of the chain of custody during such transfer. If the split sample is shown to be negative, Palm Beach County shall reimburse the employee for all costs associated with testing the split sample.
9. Palm Beach County will not discharge, discipline, refuse to hire, discriminate against, or require rehabilitation of an employee or job applicant on the sole basis of a positive initial (EMIT) test result that has not been verified by a confirmation test.
10. Palm Beach County will not discharge, discipline, or discriminate against any employee upon the employee voluntarily seeking treatment, while under the employment of Palm Beach County, for an alcohol or drug-related problem unless they do not comply with EAP directives and have signed a management referral form. Palm Beach County, Local 2928, and the employee will make every effort to ensure that the rehabilitation of the employee will be successful. Once the employee is rehabilitated, as determined by the program administrator, the employee must be allowed to return to work without being disciplined. This provision shall not be construed to remove the rights of Palm Beach County to discipline an employee for reasons other than a positive drug test.**11.** Documents and records with regard to the drug testing of an employee shall not be placed in the personnel file of an employee if the employee is cleared through an administrative or legal challenge; and/or under reasonable suspicion drug testing, if the employee's test results are negative.

K. Expedited Arbitration Rules for Reasonable Suspicion Cases.

1. When a grievance alleging that the order of reasonable suspicion was improper is unable to be resolved with the Fire Rescue Administrator, the grievance shall be submitted directly to arbitration. Such grievance shall be heard as soon as possible after the employee files the grievance unless otherwise mutually agreed by Palm Beach County and Local 2928.
2. The arbitrator will be required to make a bench ruling at the close of the hearing, which must specifically determine whether Palm Beach County had reasonable suspicion as defined in this Article to order the drug test. An oral response will be sufficient to settle the grievance at the close of the hearing. Such oral response shall be reduced to writing for the record by the arbitrator and submitted to the parties within five (5) business days from the close of the hearing unless otherwise mutually agreed by Palm Beach County and Local 2928.
3. The parties shall select an arbitrator from a panel of seven (7) arbitrators provided by the Federal Mediation and Conciliation Service which will be requested by the Union. Such selection shall take place within five (5) business days of receipt of the panel.

L. Rehabilitation.

1. In the event that the results of the blood/alcohol or urinalysis testing are confirmed positive or upon acceptance of a management referral for substance abuse, the employee must enter an alcohol/substance abuse program approved by the Palm Beach County and Local 2928 before, during, or after exhausting all administrative or legal remedies. The approved program administrator shall determine when the employee has been successfully rehabilitated. There will be no set time frame in which the program administrator will be obligated to determine whether an employee has been successfully rehabilitated. Whether the rehabilitation is a result of a positive drug test or not, and if approved by the program administrator, Palm Beach County shall make every effort to place a safety-sensitive position employee whose drug test result is confirmed positive in a non-safety-sensitive position while the employee participates in the employee

assistance program. If a non-safety-sensitive position is unavailable, or if the program administrator requires in-patient treatment for the employee, the employee shall be placed on leave status without pay until successfully rehabilitated. If placed on leave status without pay, the employee may use any accumulated leave hours prior to being placed on leave without pay. Refusal to enter such a program shall result in the termination of the employee.

An employee testing positive for drugs or alcohol as a result of random, reasonable suspicion, post-accident or follow-up testing shall receive a three (3) shift un-paid suspension or additional discipline if the incident or conduct of the employee warrants it. Subsequently, if the employee is confirmed to have tested positive for alcohol/substance abuse, the employee shall be subject to discipline up to and including termination.

2. If the employee fails to complete the program, the employee shall be subject to discipline.
3. If an employee is confirmed to have tested positive for alcohol/substance abuse on a second occurrence, the employee shall be subject to discipline, up to and including termination. Any reoccurrence of alcohol/substance abuse, which is verified by a confirmed positive test thereafter, shall be grounds for discipline, up to and including termination, with no further opportunity for rehabilitation.

M. Employee Assistance Program.

Palm Beach County shall have a contact person within the fire department who will be responsible for providing the names, addresses, and telephone numbers of the employee assistance program available to employees.

N. Confidentiality.

- 1.** All information, interviews, reports, statements, memoranda, and drug test results, written or otherwise, received or produced by Palm Beach County through this Article are confidential communications to the extent allowed by the law.
- 2.** Palm Beach County, the assigned laboratory, the Medical Review Officers (MROs), the employee assistance programs, the drug and alcohol rehabilitation programs and their respective agents who receive or have access to this information concerning drug test results shall keep all information confidential. Release of such information under any other circumstances shall be solely pursuant to a written consent form signed voluntary by the person treated, unless such release is compelled by an Arbitrator or a court of competent jurisdiction pursuant to an appeal taken under this drug testing policy, or unless deemed appropriate by professional or occupational licensing board in a related disciplinary proceeding. The consent form must contain, at a minimum:
 - a.** the name of the person who is authorized to obtain the information;
 - b.** the purpose of the disclosure;
 - c.** the precise information to be disclosed;
 - d.** the duration of the consent; and
 - e.** the signature of the person authorizing release of the information.
- 3.** Information on drug test results shall not be released or used in any criminal proceeding against the employee. Information released contrary to this Article, to the extent allowed by the law, shall be inadmissible as evidence in any such criminal proceeding.
- 4.** Nothing herein shall be construed to prohibit Palm Beach County, an agent of Palm Beach County, or the laboratory conducting the drug test from having access to employee drug test information when consulting with legal counsel in connection with the actions brought under or related to this policy or when the information is relevant to its defense in a civil or administrative matter.

O. Education.

1. Palm Beach County will maintain a current resource file of providers of employee assistance including alcohol and drug abuse programs, mental health providers, and various other persons, entities or organizations designed to assist employees with personal or behavioral problems including, but not limited to, those referenced in the "Florida Comprehensive Directory, Drug Abuse and Mental Services," published by the Department of Health and Rehabilitative Services.
2. Palm Beach County must inform employees and new hires about any employee assistance programs that Palm Beach County may have available.
3. Palm Beach County, through the EAP Coordinator, must provide an annual education course for its employees to assist them in identifying personal and emotional programs, which may result in the misuse of alcohol or drugs. This course must also include a presentation on the legal, social, physical, and emotional consequences of the misuse of alcohol or drugs.
4. Palm Beach County, through the Wellness Steering Committee, must provide training through an annual educational course to all supervisors who will be assigned the task of determining or certifying reasonable suspicion as defined in this policy. The primary focus of this educational course shall be to train and educate all supervisory personnel on how to determine reasonable suspicion as defined in this policy.

P. Conflict With Other Laws and/or Collective Bargaining Agreement.

1. Any specific reference in this policy to Section 112.0455, Florida Statutes, and Chapter 59A-24, Florida Administrative Code, is hereby incorporated by reference only to the extent that there is not a conflict with other provisions in this policy. The specific provisions of the drug testing policy shall control over any conflict with any references to Chapter 112.0455, Florida Statutes, and Chapter 59A-24, Florida Administrative Code.

2. This drug testing policy is, in no way, intended to diminish, waive, or supersede any constitutional or other rights, not specifically mentioned in this policy, that the employee may be entitled to under federal, state, or local statutes.
3. This drug testing policy is in no way intended to diminish, waive, or supersede any rights provided to employees under a collective bargaining agreement. The employee also has the right to challenge the results of any drugs or alcohol tests and any discipline imposed due to the provisions of this drug testing policy in the same manner that any other employer action can be grieved under the terms of the collective bargaining agreement.

Q. Conclusion.

The drug and alcohol testing program was initiated at the request of the Palm Beach County Fire Rescue Wellness Steering Committee. Palm Beach County and Local 2928 each agrees to be responsible for their own negligent acts and omissions arising out of the administration and implementation of this policy, and any legal obligations or costs related hereto, except as otherwise stated in this Agreement.
